Pastor's POINT OF VIEW

It is so great to greet you as brothers and sisters in Christ. May you be blessed by His Grace and Power during this trying time. In your devotional time read Habakkuk 3:16-19 and be encouraged by his statement of faith in God.

This month is a turning point in 2020, because we are back in school, with all of its challenges. A good event for the students is the annual "See You at the Pole" event. It is set for September 23rd.

We must remember to pray for administrators, teachers, students, and families during this school year. Let us especially be in prayer for Jonathan Chapman and the BCM at ETSU.

The Golden Offering for Tennessee Missions will be received during this month. It is a worthy mission offering because of the impact Tennessee Missions has all across our state. We will show some videos so you can be informed about what the offering supports.

We will continue meeting on Sunday morning for worship at the building. If you prefer not to meet in person, please join us virtually as we will be streaming the morning worship service. Prayer is one of the ways we can join with each other during our times of worship.

Stay strong in your faith, pray often,
use caution when you are out and about.
God is with us and is our constant strength.

Our kid's choir will be collecting
Small Stuff Animals
during the month of **September**.
