TEAMKID AND YOUTH

May is a month of honor for many who were and continue to be important in our lives. As I approach Mother's Day, I fall into the group for whom the day is a day of remembrance of my dear mother. I called my mother "Moma." She went home to be the Lord in August of 2020. I miss her every day but I cling to the precious time the Lord allotted for me and her to have together. If your Mother is still living, do not fail to call or to go see your Mother to spend some quality time with her.

Mother's Day is also a day in the life of Siam Baptist, in which children will be celebrated and dedicated. We have some newborns as well as "pandemic" babies to dedicate to the Lord on this day. We are so thankful that these parents see the necessity of dedicating their children to the Lord for his protection and guidance in their lives.

May 23 is "Graduate Sunday." This is yet another day of honor that will take on special meaning for me this year. Isaiah, my son, is graduating Science Hill High School. For our graduates this is a tremendous milestone that is just the beginning of a lifelong time of learning and growing. Congratulations to all of the graduates at Siam Baptist Church who are stepping out into promising futures.

We wrap up the month in a somber time as we remember those of our loved ones who have passed away. I end this article where I began; with a note of thanksgiving for many in my life who have impacted me are now enjoying a glorious time in the presence of the Lord Jesus Christ. There is a song that I hope we will soon learn to sing that is entitled, "We Will Remember." Let that be our mantra of those with whom the Lord has crossed out lives as the days, months, and years roll on. Most of all remember the Lord Jesus Christ who gave us the most precious gift of eternal life by sacrificing himself on our behalf on a cross.
