Pastor's POINT OF VIEW

We are not home yet. We have dual citizenship. We are citizens of a country in this world and we are citizens of God's Kingdom. *"So now you Gentiles are no longer strangers and foreigners. You are citizens along with all of God's holy people. You are members of God's family."* (Ephesians 2:19) As Kingdom citizens we bear the name of Christ and are His representatives in this world. II Cor. 5:18-20 describes us as Ambassadors of Christ in this lost world. We are called Pilgrims Hebrews 11:13. St Peter, in I Peter 2:11, describes us as Strangers in this world. We live in a fallen world, among fallen people who have gone away from God, ignored God, or have never known Him. They need you and me, who know Christ, to show by our lives and declare with our voices that God loves them and will change them into Kingdom citizens if they will only turn from Sin and turn to Jesus in faith and surrender to His Lordship. We are to be light in the darkness and salt in the decadence of this lost world. Changed hearts will change lives. The change of culture will not come through government laws and regulations; it will come only as God is allowed to change individuals from the inside. Pray for the community and the nation of which you are a temporary citizen.
